Announcement of Favorable Ruling in National Tax Case

On February 23, 2007, the Tokyo District Court entered a judgment in virtually complete favor of ARUZE CORP. quashing the tax reassessment for 1998 imposed on the Company. In an earlier ruling dated January 29, 2004, the National Tax Tribunal in Tokyo had decreed that ARUZE undergo the tax reassessment. Dissatisfied with this ruling, the Company had lodged a lawsuit with the Tokyo District Court on April 27, 2004 seeking to repeal the ruling.
