Announcement Regarding Cash Distribution by ARUZE Affiliate Company

In its meeting of the Board of Directors held on November 19, 2007, Wynn Resorts, Limited (hereinafter referred to as "Wynn Resorts;" NASDAQ code: WYNN), an equity-method affiliate of ARUZE CORP. (hereinafter referred to as "the Company,"), declared a cash distribution of US\$6.00 per share. This dividend will be payable on December 10 to shareholders registered as of November 30. Aruze USA, Inc. (hereinafter referred to as "Aruze USA"), a wholly-owned subsidiary of the Company, expects to receive approximately 16 billion yen in the form of dividend income. While the use of this amount of approximately 16 billion yen has yet to be determined at this time, the Company intends to effectively apply the proceeds to the improvement of its future business value.

In terms of the equity method, the aforementioned cash distribution of approximately 16 billion yen will produce an effect similar to transferring profit earned by Wynn Resorts to Aruze USA in the form of a dividend. Consequently, an effect on the Company's consolidated profit-and-loss statement, while minute, will be present. However, as a cash deposit will be made to Aruze USA, the dividend amount will be reflected as an increase on the Company's consolidated balance sheet and consolidated cash flow statement.
