Petition by Century against the Company's Group

Universal Entertainment Corporation (hereinafter referred to as the "Company") hereby announces the Company's group received a petition from Century Properties Group, Inc. (hereinafter referred to as "Century") of the Philippines and a court order recognizing the assertions of the Company's group has been rendered by a court of appeal of the Philippines.

1. Court which made the court order and date of court order

Court: Court of appeals, Manila, Republic of the Philippines

Date on which order was made: March 27, 2015 (date of receipt of order: April 21, 2015)

2. Outline of Court Order

The court order of the Makati Regional Trial Court recognizing the assertions of Century is reversed and set aside and the court order recognizing the assertion of the Company's group is reinstated.

3. Background of Petition from Century

The Company's group has been promoting development of a casino resort in the Philippines and previously it had negotiations with Century, however, as conditions were not fulfilled, the Company group sent a notice of termination to Century in March 2014. Century filed a petition to a court challenging the termination, however, the petition was dismissed on May 13, 2014 (for details, please see the press release entitled "Announcement on the Petition filed by Century Against Universal Entertainment Group Companies" dated May 16, 2014). Thereafter, Century again filed a petition and the court order recognizing the assertions of Century was granted on July 25, 2014, however, this time, as stated in 2. Outline of Court Order, the assertions of the Company's group were again recognized.

4. Opinion of the Company

The Company understands that rightfulness of the Company's group is again recognized by this court order. The Company's group is making a large contribution to the economy of the Philippines and creation of employment in the region along with steadily carrying out the growth strategy of the Company's group business by continuing to proceed with the development of the casino resort project, Manila Bay Resorts in the Philippines.
