## **Notice of Reinforcement of IR Structure and Enhancement of Content of Future Disclosures of Information**

Universal Entertainment Corporation (hereinafter referred to as the “Company,”) has seen a sharp increase in inquiries from its domestic and overseas investors following the enactment of “Integrated Resort Implementation Bill” in Japan, and the Company’s series of announcements regarding the opening of a Japanese branch of TIGER RESORT, LEISURE AND ENTERTAINMENT INC. (hereinafter referred to as the “TRLEI,”), which operates “Okada Manila” integrated resort facility; the acquisition of Asiabest Group International Inc. as the Company’s indirect subsidiary for the purpose of local listing in the Philippines; and so forth. Under such circumstances, the Company has reinforced its IR (Investor Relations) structure in order to provide necessary information on the Company’s financial condition and its business outcomes in a more appropriate manner so as to help investors make judgments on their investments. Additionally, the Company intends to further enhance the information that it will disclose to investors going forward.

### **1. Reinforcement of IR Structure**

Regarding the disclosure of information for its domestic and overseas investors, the Company has recently reinforced its IR structure and has put a new IR structure in place across the entire Company Group that includes TRLEI (Please refer to the below figure entitled “New IR Structure of Company Group”).

### **2. Enhancement of Information Disclosed**

Under the aforementioned IR structure, the Company will endeavor to further enhance the information that it discloses starting with its settlement of accounts for the Third Quarter of its 46<sup>th</sup> Fiscal Term (current fiscal year). More specifically, the Company is planning to disclose

EBITDA (Earnings Before Interest, Taxes, Depreciation and Amortization), GGR (Gross Gaming Revenue) for its Casino Resort Business, and quarterly key performance indicators (KPI) for each of its main business segments, such as “Casino” and “Hotel.”

### 3. Holding of Briefings for Investors

After the Company has finished reporting its financial results for its 46<sup>th</sup> Fiscal Term (current fiscal year), it is planning to host a business report session or conference call for its institutional investors.
